

VDS Pro Simulator Station Datasheet

Classroom Station

A compact installed simulator station for education and non-profit training rooms that need a complete, managed setup without building a parts list.

Guide price: From GBP 4,995 + VAT

Lease guide: Lease from GBP 179/month + VAT

Audience: Schools, colleges, charities, and supervised road-safety sessions

Included station components

- Gaming PC configured for VDS Pro
- Large curved display with dedicated mount
- Driving sim rig with adjustable seat position
- Moza wheel, pedals, and indicator stalk
- VDS Hub setup, calibration, delivery, and handover

Planning notes

- Typical planning range: 2-6 weeks, subject to hardware availability
- Allow roughly 2.0m x 1.5m before final room check
- Standard manufacturer warranty support, with extended cover options quoted
- Best fit for classroom supervision and short road-safety sessions
- A purchased station includes 12 months of VDS Pro software for that station
- Continued access after the included period requires the applicable station plan; lease software terms are quoted separately
- Lease terms, travel, and installation timing confirmed at quote stage
