

VDS Pro Simulator Station Datasheet

Multi-Station Suite

A two-station starter suite for organisations that need repeatable simulator throughput, staff handover, and a cleaner procurement story.

Guide price: From GBP 14,995 + VAT

Lease guide: Lease from GBP 549/month + VAT

Audience: Fleet, college, local authority, and multi-site training facilities

Included station components

- Two calibrated stations with gaming PCs and curved displays
- Commercial-grade cockpits and mounted display choices
- Moza control sets with pedals and indicator stalks
- Organisation setup and station access planning
- On-site installation, calibration, and staff training

Planning notes

- Typical planning range: 4-10 weeks, depending on room readiness and station count
- Two-station starter suite; room layout confirmed before final quote
- Warranty and maintenance options quoted with the rollout scope
- Best fit for cohorts, scheduled training days, and shared training rooms
- A purchased two-station suite includes 12 months of VDS Pro software for both stations
- Continued access after the included period requires the applicable station plan; lease software terms are quoted separately
- Additional stations, room moves, and refresher training quoted separately
