

VDS Pro Simulator Station Datasheet

Professional Station

A commercial station for paid training, instructor review, and evidence-led coaching where the simulator needs to feel robust and repeatable.

Guide price: From GBP 7,500 + VAT

Lease guide: Lease from GBP 279/month + VAT

Audience: Driving schools, training providers, employers, and commercial training rooms

Included station components

- Higher-spec gaming PC for training-room use
- 49-inch class curved display or triple-display option with mounting
- Commercial cockpit with robust adjustment
- Moza direct-drive wheel, pedals, indicator stalk, and shifter options
- Instructor-ready VDS reports, setup, calibration, and handover

Planning notes

- Typical planning range: 3-8 weeks, subject to display and cockpit availability
- Allow roughly 2.3m x 1.7m before final room check
- Standard manufacturer warranty support, with remote health checks on Professional software
- Best fit for ADIs, instructor teams, and employer refresher training
- A purchased station includes 12 months of VDS Pro software for that station
- Continued access after the included period requires the applicable station plan; lease software terms are quoted separately
- On-site support days available after installation
